ART 1: GENERAL INFORMATION

1. Definitions

“Band” means the Sipekne’katik or its representative.

“License” means the Band’s Aboriginal Communal Fishing License 34 for lobster for the 2022-23 fishing season.

“Proponent” means a person or organization that submits a Proposal in response to this RFP. The terms “Proponent” and “Contractor” are used interchangeably in this RFP.

2. Introduction

Sipekne’katik is located in Indian Brook, Nova Scotia, 28.8 kilometers southwest of Truro. With 2519 members, the Sipekne’katik Band is the second-largest First Nation in Nova Scotia and the largest on the Nova Scotia mainland. In addition to its reserve at Indian Brook, the Band also has reserve land in New Ross, Wallace Hills, Grand Lake and Pennal.

The Sipekne’katik Band is seeking proposals from qualified lobster harvester to lease the Band’s Aboriginal Communal Fishing License for lobster during the 2022-23 Fishing Season 34.

3. Business Objectives

Sipekne’katik is committed to continuous economic development, of which its commercial fishery enterprise is a core component. As the Sipekne’katik Band grows and expands through economic development, all Band members share in the benefits.

The commercial fishing licenses held by the Sipekne’katik are issued to the First Nation for the collective benefit of all Band members. The licenses are intended to provide opportunities for members of the Sipekne’katik First Nation to conduct fishing and related activities, and to build capacity in the commercial fishery.

4. Other Core Values

Sipekne’katik holds a fundamental belief that a strong commitment to the environment as well as the health and safety of its employees, visitors and contractors is essential to the optimal operation and long-term viability of its business. In line with this belief is the Sipekne’katik Band’s commitment to ensuring that its employees and contractors know their environmental, health and safety responsibilities and work in as safe a manner as possible.

The Sipekne'katik Band will take every opportunity to align itself with contractors that are equally committed to the health and safety of their employees and the work site environment.

5. Scope of Services and Deliverables

The principal services and deliverables are as follows:

- (i) To lease the non-quota based lobster fishery allocated by the Department of Fisheries and Oceans (DFO) to the Sipekne'katik Band pursuant to its Aboriginal Communal Fishing License in Lobster Fishing Area 34. The competitive leasing fee must be paid in advance of the fishery.
- (ii) To provide training and capacity-building to members of Sipekne'katik in the lobster fishery.

The Contractor is expected to manage and fulfill the conditions of the Aboriginal Communal Fishing License, as established by the DFO, in the most profitable manner possible. The fishery operator is expected to do so while at the same time ensuring the safety of workers, the integrity of the natural environment, and the training and capacity-building objectives of the Aboriginal Communal Fishing License.

The Contractor is responsible for providing all vessels, equipment, trap, crew and other human resources necessary to fish the lobster under the License.

The Contractor shall be required to employ a minimum of two (2) qualified member of the Sipekne'katik as deckhands or mates at **12%** of catch for each Sipekne'katik deckhands and mandatory employment related costs.

The Contractor must comply with the requirements of the Aboriginal Communal Fishing License established by the DFO related to, amongst other things:

- (i) Radio and communications equipment
- (i) Vessel monitoring system
- (ii) On-board monitoring
- (iii) Gear, trap and tag specifications
- (iv) Identification requirements, including display of VRN on vessel and gear
- (v) Commitment to Report Incidental catch and species at risk
- (vi) Monitoring and reporting to DFO

PART 2: PROPONENT INSTRUCTIONS

1. Basic Instructions

Proponents agree to be bound by the instructions, clauses and conditions of this RFP and accept the clauses and conditions of any resulting contract. Proponents are encouraged to register their intention to submit a proposal with the Director of Operations in order to ensure they receive any addendum or notifications regarding the RFP.

Proposals will be assessed in accordance with the entire requirement in this Request for Proposals, including the mandatory and point-rated criteria detailed in Part 3. An evaluation team composed of representatives of the Band and appointed by the Sipekne'katik Band Council will evaluate the bids. The evaluation team may include third-party representatives.

Proponents should include the information included on the proposal bid application attached as appendix A:
